Flag knowledge and questions

The Republic of Ireland's flag is made of three equal-sized rectangles of orange, white, and green (this type of flag is called a tricolor). The flag is twice as wide as it is tall. The green side is by the flagpole. This flag was first used in 1848.

The green color on the flag represents the native people of Ireland (most of whom are Roman Catholic). The orange color represents the British supporters of William of Orange who settled in Northern Ireland in the 17th century (most of whom are Protestant). The white in the center of the flag represents peace between these two groups of people.
